★ **SOME OF THE HISTORY BEHIND THE NESARA LAW** ★

Late one evening on March 9, 2000, a written quorum call was hand-delivered by Delta Force and Navy SEALs to 15 members of the US Senate and the US House who were sponsors and co-sponsors of NESARA. They were immediately escorted by the Delta Force and Navy SEALs to their respective voting chambers where they passed the National Economic Security and Reformation Act.

The information about this law has been under a gag order all this time waiting for its announcement publicly. You can understand more by viewing the beautifully presented **“THRIVE” Documentary** that there are many in high places that do not want this **NESARA** law to see the light of day. What On Earth Will it Take? NESARA does it all!
